### THE MILLERSPORT LIONS CLUB MEETINGS

The Millersport Lions meet on the 2nd and 4th Thursday evening of each month at the Lions Club House. We are always looking for new members. Ask a Lion about Lionism.

### Heritage Village At Historic Lions Park

This service project which was unveiled in 1996 now contains the Slater Gas Station and Wayside Market, the Walnut Township House, Brison Farm Summer House, The Old Millersport Post Office, The Spurgeon Store, and the Watson Building. In addition, the Charles Holiday Covered Bridge is on the grounds as well as several stones from the original locks which were on the lake. The Millersport Lions Club invites you to take a step back in history and visit these historic buildings while on the Festival Grounds.

## ***Thanks to the 2021 Non-profit Groups Who Are Participating in the 74th Annual Sweet Corn Festival***

All food and games concessions at the Millersport Lions Sweet Corn Festival are operated by nonprofit organizations from throughout the Central Ohio area — a tradition we have maintained since 1947. Many groups earn their entire operating budgets for the coming year during this annual four-day event, plus raising additional funds for community and civic improvements.
